CREATIONS

CREATIVE Portfolio

If you need something printed, TurnKey Creations can design it. We have a network of several area and national printers to get your piece printed quickly, efficiently and cost effectively.

Advertising design involves psychology, marketing and creativity. TurnKey Creations is not only talented in the art of creative design, we understand marketing and how to promote products and services through visual communication.

## WHAT TURNKEY CREATIONS CAN OFFER YOU...

### BUSINESS FORMS

Business cards, letterhead, brochures, menus, folders and cards.

### ADVERTISING

From magazine, newspaper, and billboard ads to posters, flyers and postcards, advertising tells the story of your business.

### PROMOTIONAL PIECES

Trade-show handouts, mailable postcards, custom design holiday cards and print newsletters. From single page handouts to eighty page books and everything in between.

### CORPORATE BRANDING

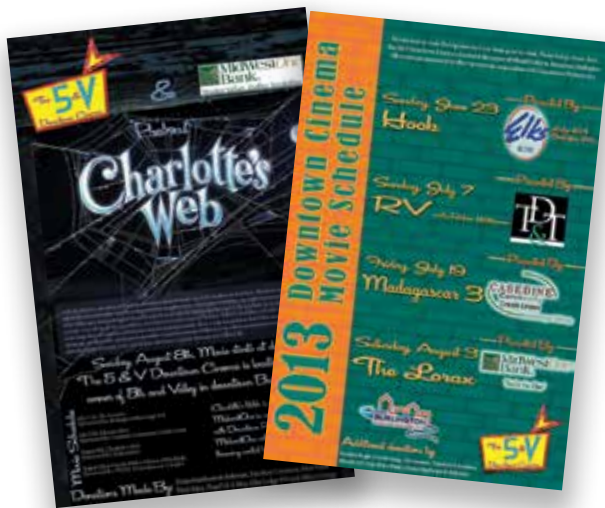

Consistent designs across different mediums and projects to reinforce your company image.

### WIDE FORMAT PRINTING

TurnKey introduced in-house wide format printing in 2013. We have the ability to print photos, banners, adhesive outdoor window banners and canvases in widths up to 44”.

## BANNERS

Banners are printed on DuPont TyVek and grommeted if required. TyVek is tear resistant, lighter and stronger than vinyl and withstands wind and rain. Adhesive banners are printed on synthetic Epson stock and can be mounted directly on a smooth surface either indoors or outdoors. Standard banner widths are 24, 36 and 42". Adhesive banners are 24 or 44".
